

INSTRUCTIONAL PROGRAM

The cooperative vocational education instructional program offers preparation for employment in a variety of occupational areas. Programs may operate either as a two-year program or a one-year senior level course offering.

Sequence of Courses

Course Title	Description	Course Code	Type of Certification	Type of credit	Prerequisite
<i>Cooperative Occupational Education-1</i>	An instructional program designed to meet the occupational preparation needs of students. Specifically, cooperative occupational education offers instruction with the primary goal of preparing individuals for entry, adjustment and advancement in a variety of occupations. Offered the junior year in a two year program, or the senior year in a one year program.	040003	COE	Elective (one unit for a year long class, for one period per day)	None required
<i>Cooperative Occupational Education-2</i>	An instructional program designed to provide specialized occupational instruction in conjunction with Supervised Cooperative Occupational Education employment. Offered the senior year.	040004	COE	Elective (one unit for a year long class, for one period per day)	COE-1
<i>Supervised Cooperative Occupational Education Employment</i>	Students are placed in a training station that directly contributes to the development of competencies necessary for successful employment in an occupational field. Must be concurrently enrolled in COE-2.	040081	COE	Elective (one or two units for either one or two periods per day)	Concurrent enrollment in COE-1 or COE-2.
